Richey Modu

Abstract—This study delves into the concept of the Dramatic League, a group of actors who come together to perform and hone their craft. The research explores how participants navigate the guidance and stimulus provided by Collins and Philmont, two influential figures in the theater world. The study takes place in the Tucked Administration Library at Philmont, where the Dramatic League meets to practice and rehearse. The research focuses on the perspective of McLauchlin, a paneled prosecutor who has a unique perspective on the workings of the group. The study analyzes McLauchlin's observations and insights into the Dramatic League, its members, and the impact of the guidance and stimulus on their performances. The results of the study shed light on the intricate dynamics of the Dramatic League, providing valuable insights into the workings of this unique theater group.
